

First Aid / CPR / AED Training

Be prepared and be in compliance. Learn the skills to maintain the life of a victim until emergency medical personnel arrive. First Aid Training covers the basics: breathing emergencies, sudden illness and injury, bleeding and preventing disease transmission. The CPR/AED portion covers basic life support, emergency scene assessment, CPR and rescue breathing and choking. The AED segment covers operating characteristics of AED's and shows you proper precautions and maintenance techniques. Upon course completion, you will receive National Safety Council First Aid / CPR / AED Certificates.

Length: One Day

Pre-requisites: NONE

Location:

This course will be held at the Safety and Health Council of Western Missouri & Kansas office at 5829 Troost Ave, Kansas City, Missouri 64110. We are located in-between Whitney Automotive and The Grooming Project. We are a tan colored building with a green sign above our door.
