

EHS Video List

1000		Africanized Bee Training	Bees were imported from africa to south america and the bees began to swarm up through south america to north america. Explains characteristics between bees	11		Television Monitoring Services, Inc.
1001	Animals-Insects-Plants	Africanized Bee Training	Bees were imported from africa to south america and the bees began to swarm up through south america to north america. Explains characteristics between bees	11		Television Monitoring Services, Inc.
1002	Animals-Insects-Plants	Africanized Bee Training	Bees were imported from africa to south america and the bees began to swarm up through south america to north america. Explains characteristics between bees	11		Television Monitoring Services, Inc.
1003	animals-insects-plants	avoiding dog bites	The video looks at several situations and talking with folks that will discuss behavior, dogs & humans, and how to avoid a bad situation.	16	1991	visnet
1004	Animals-Insects-Plants	Avoiding Dog Bites	The video looks at several situations and talking with folks that will discuss behavior, dogs & humans, and how to avoid a bad situation.	16	1991	VisNet
1005	Animals-Insects-Plants	Avoiding Dog Bites	The video looks at several situations and talking with folks that will discuss behavior, dogs & humans, and how to avoid a bad situation.	16	1991	VisNet
1006	Animals-Insects-Plants	Avoiding Poisonous Plants	Describes appearance, effect, treatments and precautions that should be taken with poisonous plants.	12	1994	GTE Communications
1007	Animals-Insects-Plants	Dealing With Doggie Dangers	This video takes you on an "urban safari" to show how to avoid being dogged by dogs.	5		Safety Shorts
1008	Animals-Insects-Plants	Dog Bite Prevention	Provides guidelines on how to handle dogs and prevent hazardous situations.	10	1989	ERI Safety Video
1009	Animals-Insects-Plants	Dog Bite Prevention	Provides guidelines on how to handle dogs and prevent hazardous situations.	10	1989	Long Island Productions
1010	Animals-Insects-Plants	Dog Bite Prevention	Provides guidelines on how to handle dogs and prevent hazardous situations.	10	1993	Long Island Productions
1011	Animals-Insects-Plants	Dog Bite Prevention	Provides guidelines on how to handle dogs and prevent hazardous situations.	10	1993	Long Island Productions
1012	Animals-Insects-Plants	Dog Bite Safety	Positive ways to avoid dog bites while on the job.	14		Video Training Source
1013	Animals-Insects-Plants	Dog Bite Safety	Positive ways to avoid dog bites while on the job.	14		Video Training Source
1014	Animals-Insects-Plants	Confessions of a Viscious Dog	Explains why dogs can be mean. How to avoid dog attacks.	17		Long Island Productions

EHS Video List

1000		Africanized Bee Training	Bees were imported from africa to south america and the bees began to swarm up through south america to north america. Explains characteristics between bees	11		Television Monitoring Services, Inc.
1016	Animals-Insects-Plants	Insects In The Workplace	Telephony related video about harmful insects. Gives what to look for and how to protect against harm.	17	1992	Rainbow Technology Corp.
1017	Animals-Insects-Plants	Insects In The Workplace	Telephony related video about harmful insects. Gives what to look for and how to protect against harm.	17	1992	Rainbow Technology Corp.
1018	Animals-Insects-Plants	Insects In The Workplace	Telephony related video about harmful insects. Gives what to look for and how to protect against harm.	17	1992	Rainbow Technology Corp.
1019	Animals-Insects-Plants	Insects In The Workplace	Telephony related video about harmful insects. Gives what to look for and how to protect against harm.	17	1992	Rainbow Technology Corp.
1021	Animals-Insects-Plants	Lyme Disease	Descriptive video on the causes and effects of lyme disease - 3 parts.	60	1991	North Central
1024	Animals-Insects-Plants	Lyme Disease: Danger In The Grass	This program tells how the disease is spread, and describes symptoms and long term effects.	13	1990	AIMS Multimedia
1025	Animals-Insects-Plants	Lyme Disease: Danger In The Grass	This program tells how the disease is spread, and describes symptoms and long term effects.	13	1990	AIMS Multimedia
1026	Animals-Insects-Plants	Lyme Disease: Danger In The Grass	This program tells how the disease is spread, and describes symptoms and long term effects.	13	1990	AIMS Multimedia
1027	Animals-Insects-Plants	Outdoor Safety - Critters and Plant	Talks about the possibility of encountering harmful snakes, animals, plants and insects when in the field.	5	1990	
1029	Animals-Insects-Plants	Outdoor Safety - Critters and Plant	Talks about the possibility of encountering harmful snakes, animals, plants and insects while in the field.	5	1990	Safety Shorts
1031	Animals-Insects-Plants	Outdoor Safety - Critters and Plant	Talks about the possibility of encountering harmful snakes, animals, plants and insects while in the field.	5	1990	Safety Shorts
1032	Animals-Insects-Plants	Poison Plants	Short special put on by "Hard Copy" that describes facts and myths of poison platns.	6	1997	North Central
1033	Animals-Insects-Plants	Poisonous Plant Safety	Discusses the different types of poisonous plants.	8		Long Island Productions
1034	Animals-Insects-Plants	Poisonous Plants	Learning which plants are dangerous will give you a better idea of how to protect yourself and your family.	12		
1035	Animals-Insects-Plants	Poisonous Plants	Learning which plants are dangerous will give you a better idea of how to protect yourself and your family.	12		AIMS Multimedia
1062	Animals-Insects-Plants	Protecting Yourself - Hantavirus	right way to handle rodent infestation. Identify symptoms and how to distinguish between hantavirus and flu. The right safety gear.	17		USWEST
1063	Animals-Insects-Plants	Protecting Yourself - Hantavirus	right way to handle rodent infestation. Identify symptoms and how to distinguish between hantavirus and flu. The right safety gear.	17		USWEST

EHS Video List

1000		Africanized Bee Training	Bees were imported from africa to south america and the bees began to swarm up through south america to north america. Explains characteristics between bees	11		Television Monitoring Services, Inc.
1064	Animals-Insects-Plants	Protecting Yourself - Hantavirus	right way to handle rodent infestation. Identify symptoms and how to distinguish between hantavirus and flu. The right safety gear.	17		USWEST
1616	Animals-Insects-Plants	Insects In The Workplace	Telephony related video about harmful insects. Gives what to look for and how to protect against harm.	17	1992	Rainbow Technology Corp.
2001	Climbing - Ladder	Ladder Safety	Proper way to handle a ladder and info.			UKN
2002	Climbing - Ladder	CLI Poles and Ladders	Workers illustrate safe procedures for CLI poles and towers, check ENV, inspect EQM/structure, use of portable/fixed ladders	5	1992	Safety Shorts
2003	Climbing - Ladder	Detective of Ladder Safety	Bauer ladder produced this story-lined film about the safety of proper ladder use.	18	1996	UKN
2004	Climbing - Ladder	Extension Ladder Safety	The key objective of this program is to teach the veiwer how to ensure his or her safety when working with extension ladders.	9		VisNet
2005	Climbing - Ladder	Extension Ladder Safety	The key objective of this program is to teach the veiwer how to ensure his or her safety when working with extension ladders.	9		VisNet
2011	Climbing - Ladder	Residential Tower Safety				UKN
2012	Climbing - Ladder	Residential Tower Safety				UKN
2013	Climbing - Ladder	Residential Tower Safety				UKN
2014	Climbing - Ladder	Residential Tower Safety				UKN
2021	Climbing - Ladder	Ladder Safety - T006	This video explains the dangers and demonstrates the safe use of various types of ladders and portable steps.	6	1988	Safety Shorts
2042	Climbing - Ladder	Mobile Elevated Platforms and Scaff	Safe use of these materials.	7	1996	Summit Training Source
2042	health	wash hands		30		
2044	Climbing - Ladder	Pole CLI Techniques	safe climbing requirements. How to fit and test equipment.	20	1995	AIMS Multimedia
2045	Climbing - Ladder	Pole CLI Techniques	safe climbing requirements. How to fit and test equipment.	20	1995	AIMS Multimedia
2047	Climbing - Ladder	Safe Pole CLI Techniques	The key objectives of this program are teach the viewer how to safely climb poles using the 3 point method, inspect equip, test the pole, safe work	15		VisNet
2048	Climbing - Ladder	Safe Pole CLI Techniques	The key objectives of this program are teach the viewer how to safely climb poles using the 3 point method, inspect equip, test the pole, safe work	15		VisNet

EHS Video List

1000		Africanized Bee Training	Bees were imported from africa to south america and the bees began to swarm up through south america to north america. Explains characteristics between bees	11		Television Monitoring Services, Inc.
2049	Climbing - Ladder	Safe Pole CLI Techniques	The key objectives of this program are teach the viewer how to safely climb poles using the 3 point method, inspect equip, test the pole, safe work	15		VisNet
2050	Climbing - Ladder	Safe Pole CLI Techniques	The key objectives of this program are teach the viewer how to safely climb poles using the 3 point method, inspect equip, test the pole, safe work	15		VisNet
2051	Climbing - Ladder	Scaffolding Safety	Both installers and users of scaffolding must be familiar with and follow safety rules and safe practices	5	1989	Safety Shorts
2052	Climbing - Ladder	Short Ladder	Neglecting safety is like playing chess with the grim reaper. A lack of ladder safety can put an end to the game...and your life.	5	1993	Safety Shorts
2201	Climbing - Ladder	Ladder Safety - Cable Safety Series	how to properly set up and use a ladder	11		RYNO
2202	Climbing - Ladder	Ladder Safety Training	Safe ladder use, use of all types of ladders. Gives pointers of how to use each.	22	1992	JAJ PROD
2203	Climbing - Ladder	Ladder Safety - Take The Right Step	how to properly set up and use a ladder			Summit Training Source
2227	Climbing - Ladder	Ladder Safety #153	A goofy way to look at ladder safety. Covers what type of ladder for what type of situation should be used.	19	1992	Long Island Productions
2228	Climbing - Ladder	Ladder Safety - #281	Excellent thorough training covering: choosing a ladder; metal, step, and platform ladders, inspection; placement and use for straight ladders; safe use tips - belt buckle and rail use.	12	1995	Long Island Productions
2229	Climbing - Ladder	Ladder Safety - #281	Excellent thorough training covering: choosing a ladder; metal, step, and platform ladders, inspection; placement and use for straight ladders; safe use tips - belt buckle and rail use.	12	1995	Long Island Productions
2230	Climbing - Ladder	Ladder Safety - #281	Excellent thorough training covering: choosing a ladder; metal, step, and platform ladders, inspection; placement and use for straight ladders; safe use tips - belt buckle and rail use.	12	1995	Long Island Productions
2231	Climbing - Ladder	Ladder Safety - #281	Excellent thorough training covering: choosing a ladder; metal, step, and platform ladders, inspection; placement and use for straight ladders; safe use tips - belt buckle and rail use.	12	1995	Long Island Productions

EHS Video List

1000		Africanized Bee Training	Bees were imported from africa to south america and the bees began to swarm up through south america to north america. Explains characteristics between bees	11		Television Monitoring Services, Inc.
2232	Climbing - Ladder	Ladder Safety	Excellent, thorough, training covering: Choosing a ladder, Metal/step/and platform ladders-inspection, Placement and use for straight ladders, Safe use tips: belt buckle and rail use.	12		Aurora Pictures
2500	Electrical	Be aware of electricity	Emphasis on rural and construction site electrical accidents. Awareness of hazards and preventing accidents. Why electricity works and is dangerous.	20		Federated rural Electric Insurance
2501	Confined Space	Confined Space Safety	Defines what a confined space is and gives a brake down of what hazards are encountered. Has a good overview of confined space and the procedures to follow when working in a confined space.	15		Safetycare Series
2501	Lockout	Danger if you don't	OSHA Lockout/tagout standard, emplyer responsibilities, procedures, special circumstances. Quiz included.	13		Video Training Source
2502	Confined Space	Confined space vol. 1: Entry	How to recognize what is a confined space; atmospheric differenced; ventilation; entry and exit from hazards	20		
2502	Electrical	Electrical lockout	Experience doesn't guarantee safety, the importance of step by step lockot procedures, and demonstrated lockout procedures.	27		
2502	Lockout	Electrical Lockout	Experience doesn't guarantee safety, the importance of step by step lockot procedures, and demonstrated lockout procedures.	27.05		tel-A-Train
2502	Confined Space	Vol. 1 Entry	How to recognize what is a confined space; atmospheric differenced; ventilation; entry and exit from hazards	25		Tel-A-Train
2503	Confined Space	confined space vol. 2: Testing confined spaces	How confined spaces should be tested; how to ensure accurate testing using proper equipment and testing techniques	24		
2503	Electrical	Electrical Safety	NSC Development video series. Discusses educating employees about electrical hazards by explaining electrical current and how to use safely.	10		National Safety Council
2503	Confined Space	Vol. 2 Testing Confined Spaces	How confined spaces should be tested; how to ensure accurate testing using proper equipment and testing techniques	25		Tel-A-Train

EHS Video List

1000		Africanized Bee Training	Bees were imported from africa to south america and the bees began to swarm up through south america to north america. Explains characteristics between bees	11		Television Monitoring Services, Inc.
2504	Confined Space	confined space vol. 3: Working inside confined spaces	Methods used to control atmospheric hazards; personal protective equipment; what to use and how to use properly.	22		
2504	Electrical	GFCI - A Detective Story	The danger of electrical shock in the home. How to prevent shock with GFCI Shock Shield, a portable plug in adaptor with ground fault circuit interrupter.	7		National Safety Council
2504	Confined Space	Vol. 3 Working inside confined spaces	Methods used to control atmospheric hazards; personal protective equipment; what to use and how to use properly.	20		Tel-A-Train
2505	Lockout	Lockout/tagout procedures	Developed by chevron corp. covers do's and don'ts of working on electrical powered equipment and importance of "locking out" equipment.	10		Safetycare Inc.
2506	Electrical	Low Voltage Safety	Employees need to be aware of the potential danger with 600 volts or less. This program instructs and reminds them that even the tiniest amount of milliamps can cause severe injury or death.	14		National Safety Council
2750	Equipment	Chain Saw Safety	The proper use of chainsaws and proper safety procedures.	15		National Safety Council
3000	Electrical	A Moment For Safety Can Last A Life	Contel East Region - West Virginia Fatality - Recreation of the incident where a tech made a fatal mistake.	21	1988	MDM PROD
3001	Electrical	A Shocking Experience	This video reviews proper safety precautions for working with electricity.	5	1990	Safety Shorts
3002	Electrical	A Shocking Experience	This video reviews proper safety precautions for working with electricity.	5	1990	Safety Shorts
3004	Electrical	A Welcome Interruption - G.F.C.I.	This tape explains both the need for and the operation of GFCI installation.	6	1988	Safety Shorts
3005	Electrical	A Welcome Interruption - G.F.C.I.	This tape explains both the need for and the operation of GFCI installation.	6	1988	Safety Shorts
3006	Electrical	C-9970 Voltage Detector	Importance of using a voltage detector as well as keeping it maintained.	23		CommunicationsTechnology Corp.
3007	Electrical	C-9970 Voltage Detector	Importance of using a voltage detector as well as keeping it maintained.	23		CommunicationsTechnology Corp.
3008	Electrical	C-9970 Voltage Detector	The importance of using a voltage detector as well as keeping it maintained are discussed.	23		CommunicationsTechnology Corp.
3009	Electrical	C-9970 Voltage Detector	The importance of using a voltage detector as well as keeping it maintained are discussed.	23		CommunicationsTechnology Corp.

EHS Video List

1000		Africanized Bee Training	Bees were imported from africa to south america and the bees began to swarm up through south america to north america. Explains characteristics between bees	11		Television Monitoring Services, Inc.
3010	lockout	Don't Tell Me	Lockout/Tagout procedures. Make sure to lockout/tagout ELE systems prior to working on machinery.	7	1991	Dupont
3011	Electrical	Close Encounter with a 4K V	Shows a line crew working around electric hazards.	13		UKN
3013	Electrical	ELE Burns & You	Shows a lot of disgusting images of burns. This video is not for anyone with a weak stomach. This video also interviews people who have been burnt.	20		L.A. Water & Power
3014	Electrical	ELE Burns & You	Shows a lot of disgusting images of burns. This video is not for anyone with a weak stomach. This video also interviews people who have been burnt.	20		L.A. Water & Power
3015	Electrical	ELE Burns	ELE burns can result from unsafe EQM or carelessness. This video takes a graphic look at safety procedures & first aid for burns	5	1990	Safety Shorts
3018	lockout	ELE Principles	OSHA's lockout/tagout standard created to protect you from the unexpected start-up of machines or release of stored energy during service or maint.			Coastal
3019	lockout	ELE Principles	OSHA's lockout/tagout standard created to protect you from the unexpected start-up of machines or release of stored energy during service or maint.			Coastal
3020	Electrical	ELE Safety: Down To The Wire	GEN overview on electricity, current flow, and hazards associated with electricity. Provides 8 guidelines for ELE safety	15		UKN
3021	Electrical	In Proper Perspective	How to prevent electro magnetic force to harm you. Proving rumors on what does and does not effect you.			UKN
3024	Electrical	High Impact ELE Safety	Graphic Scenes!			ERI Safety Videos
3027	Electrical	Model FVDV	Training video for Foreign Voltage Detector	13		Telco Sales, Inc
3028	Electrical	Model FVDV	Training video for Foreign Voltage Detector	13		Telco Sales, Inc
3029	Electrical	Model FVDV	Training video for Foreign Voltage Detector	13		Telco Sales, Inc
3037	Electrical	Static Electricity	This video offers solid types on how to reduce the incidence of static electric sparks and their resultant damage	5	1990	Safety Shorts
3041	Electrical	Voltgard: Your Safety On The Line	A look at how the high voltage, rubber insulated gloves are tested and approved.	10		Voltgard
3042	Electrical	Voltgard: Your Safety On The Line	A look at how the high voltage, rubber insulated gloves are tested and approved.	10		Voltgard

EHS Video List

1000		Africanized Bee Training	Bees were imported from africa to south america and the bees began to swarm up through south america to north america. Explains characteristics between bees	11		Television Monitoring Services, Inc.
3046	Electrical	Working Safely In The Proximity Of	This program will teach the viewer how to identify power hazards when working on aerial or buried cable and on customer premises.	15	1991	VisNet
3047	Electrical	Working Safely In The Proximity Of	This program will teach the viewer how to identify power hazards when working on aerial or buried cable and on customer premises.	15	1991	VisNet
3055	lockout	Blueprints: Lockout/Tagout	Overview of OSHA requirements for lockout/tagout and the steps for a lockout program.			Comprehensive Loss Mgmt.
3056	lockout	LockOut/TagOut	This video shows how you can use a lockout/tagout program to stop trouble before it starts.	5	1993	Safety Shorts
3057	HAZ MAT	An employee's guide to working with Hazardous materials	Explains a lot about procedures working around Hazardous Materials, Also tells about protective equipment to use.	15	1996	
3058	lockout	LockOut/TagOut: An Open & Shut Case	This program helps solve the mystery of lockout/tagout by focusing on the basics.	14	1998	Coastal
3059	lockout	LockOut/TagOut:ControlOf HazardousSo	Explains how lockout/tagout procedure works and what the correct procedures.	11	1989	NUS
3060	lockout	LockOut/TagOut: Controlling The Be	Covers OSHA-mandated training, reviews vital lockout/tagout procedures, graphically demonstrate hazards of uncontrolled energy & explains how&why	19	1994	Coastal
3062	lockout	Lockout For Life	This video was developed to teach employees about lockout/tagout hazards through re-enactments of actual accidents.	21	1992	Coastal
3063	lockout	Lockout Procedure	Describes the proper lockout/tagout procedures that should be used for work on ELE and industrial EQM.	10	1989	SAFETYCA
3065	lockout	LOTO: Lockout/Tagout	Lockout/Tagout safety procedures	18	1988	ITS
3068	lockout	Tag You're It	This video emphasizes the necessity of LockOut/TagOut.	5	1990	Safety Shorts
4000	Emergency Response	All Washed Up	A secondary line of defense of protection the work place are emergency showers and eye-wash units. This video teaches workers how & when to use them	5	1990	Safety Shorts
4001	Emergency Response	American Red Cross Emergency Test	Viewers of this program are shown how to prepare for natural disasters and prevent accidents.	31	1993	UKN
4002	Emergency Response	American Red Cross Emergency Test	Viewers of this program are shown how to prepare for natural disasters and prevent accidents.	31	1993	UKN

EHS Video List

1000		Africanized Bee Training	Bees were imported from africa to south america and the bees began to swarm up through south america to north america. Explains characteristics between bees	11		Television Monitoring Services, Inc.
4003	Emergency Response	American Red Cross Emergency Test	Viewers of this program are shown how to prepare for natural disasters and prevent accidents.	31	1993	UKN
4005	Emergency Response	Anthrax Awareness	Video designed to educate and protect employees against the threat of Anthrax.	13		Coastal
4006	Emergency Response	Calling For Help	This video illustrates how the 911 system works and how callers can use it most effectively	5	1990	Safety Shorts
4007	First Aid	Chemical Burns	This video covers the basics of treatment of chemical burns.	5	1989	Safety Shorts
4008	Emergency Response	CPR	This video introduces the need for CPR trained employees and demonstrates the techniques while calling for regular refresher training.	6	1988	Safety Shorts
4012	First Aid	Electrical Burns	This video covers all the basic precautions of initial treatment of ELE burns.	5		Safety Shorts
4017	First Aid	Eye Emergency	what to do to prevent eye injury. what to do if injury occurs.	23	1989	PYRAMID
4018	health	rapid eye check training		25		
4019	First Aid	Emergency Response	At least once in our lives we will all face a medical emergency in which someone requires rapid assistance. This video teaches the viewer how to handle real-life emergencies. It is designed for all first aid training classes and combines dramatic first	60	1997	NSC
4020	First Aid	First Aid For Accidents	The film clearly identifies the "four priorities" of first aid -- treatment that can't wait for medical help to arrive. Easy-to-follow common-sense procedures are outlined, and the reasons behind them are effectively explained.	17	1985	AIMS Multimedia
4021	First Aid	First Aid Product Training	This video describes how ZEE medical products and first aid methods will help injuries.	15	1989	Zee Medical
4022	First Aid	First Aid Kits	This video provides information on the different types of first aid kits, their placement, and their proper maintenance	5	1990	Safety Shorts
4024	First Aid	Injection Injuries	An injection injury as small as a pinhole can require amputation. This video shows how to avoid and treat these devastating injuries.	5	1992	Safety Shorts
4026	First Aid	Medical Emergencies I: Life Sustain	Basic first aid for respiratory arrest, CPR. Good follow up or precursor for U of E course.	13	1992	Bureau of Business Practices

EHS Video List

1000		Africanized Bee Training	Bees were imported from africa to south america and the bees began to swarm up through south america to north america. Explains characteristics between bees	11		Television Monitoring Services, Inc.
4027	First Aid	Medical Emergencies I: Life Sustain	Basic first aid for respiratory arrest, CPR. Good follow up or precursor for U of E course.	13	1992	Bureau of Business Practices
4029	First Aid	Medical Emergencies II: Emergency F	Basic first aid for conscious victims involved in spinal injuries, broken bones, bleeding, shock, burns or chocking.	17	1992	Bureau of Business Practices
4030	First Aid	Medical Emergencies II: Emergency F	Basic first aid for conscious victims involved in spinal injuries, broken bones, bleeding, shock, burns or chocking.	17	1992	Bureau of Business Practices
4031	First Aid	Medical Emergencies II: Emergency F	Basic first aid for conscious victims involved in spinal injuries, broken bones, bleeding, shock, burns or chocking.	17	1992	Bureau of Business Practices
4032	First Aid	Medical Emergencies II: Emergency F	Basic first aid for conscious victims involved in spinal injuries, broken bones, bleeding, shock, burns or chocking.	17	1992	Bureau of Business Practices
4033	First Aid	Medical Emergencies In The Workplac	Basic first aid for conscious victims involved in spinal injuries, broken bones, bleeding, shock, burns, or choking.	12	1992	Bureau of Business Practices
4034	First Aid	Minor Cuts and Scratches	This video illustrates first aid procedures for small open wounds.	5	1992	Safety Shorts
4035	Emergency Response	Natural Disaster Preparedness	This video takes the viewer inot a hurricane-prone plant and shows how planning pays off.	5	1990	Safety Shorts
4039	First Aid	Self-Help Heimlick	This video describes how to self-administer the heimlick maneuver.	5	1990	Safety Shorts
4040	First Aid	Stop The Bleeding	This tape demonstrates on various techniques recommended for stopping the bleeding and warns against procedures such as trounequets.	7	1988	Safety Shorts
4041	First Aid	Stop The Bleeding	This tape demonstrates on various techniques recommended for stopping the bleeding and warns against procedures such as trounequets.	7	1988	Safety Shorts
4042	First Aid	The Heimlich Maneuver	The tape shows how to recognize the symptoms of chocking and how to perform the Heimlich Maneuver on the victim	3	1988	Safety Shorts
4043	First Aid	HeimlichManeuver: HowToSaveChokingV	This program teaches how and when to use the basic life-saving technique.	17		UKN
4046	First Aid	Thermal Burns	This video is about the proper first aid procedure to follow in treating burns prior to EMT's arriving on the scene.	5	1988	Safety Shorts

EHS Video List

1000		Africanized Bee Training	Bees were imported from africa to south america and the bees began to swarm up through south america to north america. Explains characteristics between bees	11		Television Monitoring Services, Inc.
4047	Emergency Response	Warning Blast	This video shows how alarms can save lives, but only if everyone, regardless of disability, gets the alarm in time and knows how to respond.	5	1989	Safety Shorts
4048	First Aid	A Shock To The System	This video outlines the symptoms of shock and reviews the proper treatment	5	1990	Safety Shorts
4051	Emergency Response	Emergency Evacuation Procedures	Demonstrates evacuation procedures, requirements for written plans, and the need to know plan and how to evacuate.	5		Bureau of Business Practices
4052	Bloodborne	Bloodborne Pathogens - You Can't Tell By Looking	This video is for the general industry and gives an over all view on Bloodborne Pathogens. Tell's you what they are and the facts and procedures employees need to minimizing their chances of contracting a bloodborne disease.	16		Business Training Systems
5000	Environment	Handling Pressure Treated Wood	Utility wood handling safety is the main idea of this video cartoon style shows EPA recommendations	8		UKN
5001	Environment	Help Save Plant Earth	instead of using so many chemicals to clean the house, this video explains how to clean in a much safer way. Also tells you what can be recycled and what to look for when shopping.	71		UKN
5002	Environment	Lost In The Ozone	This video shows what you can do to comply with new laws on reclaiming, recycling and reusing freon	5		Safety Shorts
6011	Equipment	Don't Take Chances	Important news from Ditch Witch	30		UKN
6012	Forklift	Forklift Safety	One of industry's most useful EQM is the forklift, but it is potentially one of the most dangerous. Follow a checklist to ensure forklift safety.	5	1990	Safety Shorts
6013	Forklift	Forklift Safety	Five guidelines for forklift safety. Must be trained and authorized to drive forklifts. Good for warehouse personnel.	13	1991	Bureau of Business Practices
6014	Forklift	Forklift Safety - The OSHA Regulations	Ensure you are complying with all OSHA regulations which apply to forklifts, mostly found in 1910.178	18	1995	Long Island Productions
6015	Forklift	Forklift Safety: For Operators & CoWo	Examples of danger/injuries that can occur. 5 guidelines that apply to forklift safety whether driver or pedestrian.	30		Bureau of Business Practices
6016	Equipment	Handling The Pressure	Hydroblasting can cut through scale, coke....and human flesh. This video shows how to keep yourself and others from being injured.	5	1990	Safety Shorts

EHS Video List

1000		Africanized Bee Training	Bees were imported from africa to south america and the bees began to swarm up through south america to north america. Explains characteristics between bees	11		Television Monitoring Services, Inc.
6017	Equipment	Heavy EQM Operations	Video shows all aspects of safe operation of heavy EQM, large backhoes and some smaller EQM.	10		UKN
6018	Forklift	Forklift Safety				Coastal
6019	Equipment	Machine Safety Guards	This video explains how they work and offers safety tips for the worker to keep in mind while using a machine with a safety guard.	5	1990	Safety Shorts
6020	Equipment	Material Handling EQM Safety	The purpose of this video is to reinforce your understanding of the safe operation of the material handling EQM you use.	10	1991	VisNet
6021	Equipment	On The Move: Materials Handling Sa	right procedures and equipment for on the job.	18		BELLSOUT
6023	Equipment	Pneumatic Chipper - Lead Sleeve Rem	Shows how the pneumatic chipper works in a manhole. Depicts the different bits & the hammer-this tool replaces the torch.	11		UKN
6024	Equipment	Riding Rolling EQM	Improper use of rolling EQM can lead to accidents. Speeding, not using safety belts, unsecured EQM and people hitching rides are just a few of things that lead to serious problems.	5	1993	Safety Shorts
6025	Forklift	Safe Lift Truck Operation	The program covers all aspects of safe operation and continually stresses the importance of an attitude of safety when operating a lift truck.	23	1989	ITI
6026	Forklift	Safety Break - Forklifts	proper support. Proper loading. Break bad habits.	5		Tel-A-Train
6027	Equipment	SafetyOnTheJob-LoadHandlingInWareho	Two-thirds of all warehouse injuries are caused by improper lifting, carrying, or handling. This program presents the do's and don'ts of warehouse procedures	12	1990	AIMS Multimedia
6029	Equipment	Stay Alert/Stay Alive	Important news from Ditch Witch	13		CMWVIDEO
6030	Equipment	Take Two For Contractor Safety	Contractors and temporary employees should be aware of safety program and Supervisors should monitor.	7	1991	Dupont
6033	Equipment	Tractor Safety	This five minute refresher is designed to help tractors make your life easier, not shorter.	5	1993	Safety Shorts
6034	Equipment	Tractor-Loader-Backhoe	Working with a tractor-loader-backhoe(TLB) puts you in the center of countless hazards. This video shows how a 360 degree perspective can keep you safe.	5	1993	Safety Shorts

EHS Video List

1000		Africanized Bee Training	Bees were imported from africa to south america and the bees began to swarm up through south america to north america. Explains characteristics between bees	11		Television Monitoring Services, Inc.
6035	Equipment	Trailer Safety-Chains, Hitches & Ho	Describes safety checks before you hook up maintainance of hooks, identify pintle hooks & use of safety chains	21	1996	Eager Beaver
6036	Equipment	TrailerSafety-Hitches-Chains-Hookup	Alltel (Allied Telephone) produced film on the proper use of chains, hitches and hookups.	9	1988	ALLTEL
6037	Trench	Trenchers - Stay Alert/Stay Alive	Safety procedures, what Equipment to check before using.	1		TALUS
6038	Equipment	Up, Up and Aware (Aerial Lifts)	This video investigates the tricks and hazards of working with aerial lifts and other types of lifting problems.	5	1993	Safety Shorts
6039	Equipment	Versalift	Operating Safety Training	20		VERSALIF
6040	Climbing - Ladder	Rotation Ladder Rack	Video demonstrates use of ergonomic ladder rack	4		IPN
6100	Forklift	Forklift Safety (compliance package	Forklift Safety that helps to comply with OSHA Discusses forklift design, controls, inspections	37	1999	Coastal
6101	Forklift	Forklift Safety	Forklift Safety that helps to comply with OSHA Discusses forklift design, controls, inspections			Coastal
6102	Forklift	Powered Low-Lift Trucks	Training for operators of trucks commonly called walkies and walkie/riders. Characteristics, Load Handline, Pedestrian traffic, PPE			Coastal
6801	Forklift	Danger On The Dock	This video show you how to survive - "The Danger On The Dock".	5	1992	Safety Shorts
6802	Forklift	Danger: Hazardous Duty	In this humorous video, Hapless Hal learns a few important lessons about safety while working in these areas. Loading Dock	5		Safety Shorts
6803	Forklift	Dock Safety - Lift Trucks	This video shows you how to handle the ups and downs of lift truck operation.	5	1992	Safety Shorts
6804	Forklift	Forklift Driving Skills	Discusses hazardous driving conditions, proper handling of a load, and proper parking procedures while operating a forklift	6		Valley Videos, Inc.
6804	Forklift	Forklift Driving Skills	Discusses hazardous driving conditions, proper handling of a load, and proper parking procedures while operating a forklift	6.5		
6805	Forklift	forkift safe driving	Discusses importance of driving safety, potential accident areas and preventing accidents while operating a forklift.	6
